Coming Soon: The Chaplaincy Nevada advisory board is developing a Chaplains Apprenticeship program. This program would include a Sunday service to include the "Preachers corner, bible studies, and networking intervention/prevention programs for the community.

Each week would consist of Chaplain's rotation, in giving sermons to help build their experience. And a rotation of bible study leadership.

This apprenticeship would help provide training with Preacher opportunities for Chaplains, as well as bible studies leaders.

These services will be open to the public, communities, and neighborhoods to attend.
